All incoming students will be assigned an AMDA Orientation Leader who will be available throughout Orientation to provide assistance and answer questions.

Students living on campus will receive a housing email containing building assignments and roommate information prior to their arrival at AMDA. A list of local hotels is included in this guidebook in the event that you arrive in Los Angeles prior to your check-in time.

HOUSING LICENSE

Complete policies for those residing in AMDA housing, including those regarding guests, roommates, keys, security, maintenance, and conduct. Your housing license must be submitted before you can obtain your room keys.

AMDA CATALOG

The Catalog is the primary source of information on academic life at AMDA: academic policies, financial aid and student accounts, program information, and course descriptions.

STUDENT HANDBOOK

The essential guide for student life at AMDA, the Handbook contains information on living in the city, transportation, AMDA departments and resources, and the Code of Conduct.
PLACEMENTS

Placement Demonstrations for all disciplines take place during Orientation and the first week of classes. These are private performances for a panel of faculty and administration. Placements allow us to form class sections intended to foster your success and may be used for performance selections throughout the term. The following descriptions stipulate how you should prepare and the proper attire for each demo.

General Appearance for all Placement Demonstrations

Clothing should be age-appropriate and professional. Wear long hair up or pulled away from your face. Do not wear excessive body ornamentation. Remove all jewelry, including nose or eyebrow rings and tongue studs (with the exception of wedding bands). Hair coloring of an extreme nature is inappropriate.

Monologue Demonstrations

For students in the Acting BFA, Studio Conservatory

Within the orientation process, students will present a brief monologue for Acting Department supervisors and/or appointed faculty. We recommend that you present one of the same pieces from your AMDA audition, shortened to one minute. It is also best to prepare an additional one-minute contrasting selection to have as an alternate choice. Each monologue should be from a published play.

Music Theatre BFA, and Integrated Conservatory Programs

During your first week of Acting class, at the discretion of your acting teacher, you may be asked to perform an Acting Demonstration. We recommend that you present the same monologue from your AMDA audition, shortened to one minute. It is also best to prepare an additional one-minute contrasting selection to have as an alternate choice. Each monologue should be from a published play.

Attire for Men: Men should wear long sleeve dress shirts, slacks and dress shoes. Ties and jackets are optional. Blue jeans, sweat pants, T-shirts, flip-flops and sneakers are unacceptable attire for demos and rehearsals.

Attire for Women: Women should wear dress pants, skirts or dresses of at least knee length. You may wear long or short sleeve blouses. Character shoes should have a minimum two-inch heel, with a recommended single strap or a T-strap that buckles over the instep. Flat shoes or traditional heels are an acceptable substitute. Blue jeans, sweat pants, T-shirts, tank tops, hats, spaghetti straps, flip-flops, mules, open-toe or open-heel shoes, and sneakers are unacceptable attire for demos and rehearsals.

Voice Demonstrations

Music Theatre BFA and Integrated Conservatory students

You may be required to present the same song (musical theatre or classical) that you performed at your AMDA audition. Please bring your sheet music (shortened to one minute) in the correct key. AMDA will provide a professional accompanist.

Attire for Men: Men should wear long sleeve dress shirts, slacks and dress shoes. Ties and jackets are optional. Blue jeans, sweat pants, T-shirts, flip-flops and sneakers are unacceptable attire for demos and rehearsals.

Attire for Women: Women should wear dress pants, skirts or dresses of at least knee length. You may wear long or short sleeve blouses. Character shoes should have a minimum two-inch heel, with a recommended single strap or a T-strap that buckles over the instep. Flat shoes or traditional heels are an acceptable substitute. Blue jeans, sweat pants, T-shirts, tank tops, hats, spaghetti straps, flip-flops, mules, open-toe or open-heel shoes, and sneakers are unacceptable attire for demos and rehearsals.

Performing Arts BFA Students: Placement Demos

Students enrolled in the Performing Arts BFA Program will perform the demonstrations for their concentration: Acting, Music Theatre or Dance Theatre. Refer to those descriptions for details.

**Dance Demonstrations**

*For students in the Dance Theatre BFA and Dance Theatre Conservatory Programs*

Your first Dance Placement occurs during Orientation. An instructor will demonstrate contrasting combinations and progressions, for various disciplines, and ask you to perform them in small groups. Based upon this demonstration, students will be placed in appropriate levels for the term. Most commonly demonstrations include techniques in ballet, modern and jazz, however, it is best to come prepared with any additional footwear appropriate for Hip-Hop and other contemporary styles that may be included.

*For students in the Music Theatre BFA Program and Integrated Conservatory Program*

During Orientation, students will meet with members of the dance faculty for an overview of the dance curriculum. Each first-scheduled dance class of the semester is used to view and assess students with regard to determining the most effective placement for the semester. Students will be asked to demonstrate dance vocabulary, progressions, or combinations as deemed appropriate by the Dance Department. No advance preparation or previous dance experience is necessary.

**Attire for All Dance Demonstrations:** Body-conscious dancewear is preferred. Bring all appropriate dance shoes (ballet slippers and jazz shoes).

*AMDA will finalize all dance class assignments by the end of the first week of the term.*
REQUIRED SUPPLIES

You are required to have specific items for your first day of classes, including textbooks, dancewear and basic classroom supplies. Please budget accordingly for these materials. Your instructor may request additional materials for specific classes throughout the term.

Required Classroom Supplies

- Notebooks
- Three-ring binder
- Highlighters (five colors)
- Small hand mirror
  (for Voice Production and Speech classes)

Textbooks, Plays and Other Materials

You may need to purchase some textbooks prior to the beginning of classes. Information will be emailed and is available online at amd.edu/LAOrientation. In addition, throughout the term, you may need to purchase play scripts or sheet music. The AMDA Performing Arts Library has a wide selection of sheet music, scripts and various additional class materials available for use. See “Where to Buy” below for additional sources.

Costumes and Props

For scene and theatre work, you will need to bring or purchase costume and prop materials. Materials will vary depending on the scene or song chosen. These are suggested standard costume guidelines:

**Women:** An elegant outfit such as a skirt and top or dress with high-heeled shoes.

**Men:** Sport coat or blazer, dress slacks, and black hard-soled shoes (such as loafers or dress shoes).

All students must have appropriate dance attire. AMDA requires black attire for all dance demos throughout the term. Students without appropriate dance attire by the first day of classes will not be admitted to class and marked absent.

The chart on the next page lists items and quantities required for each program (Performing Arts BFA Program students will need the supplies listed for their concentration). Teachers will announce in classes if they will permit you to wear other colors or clothing.

Where to Buy

The following are some suggestions for online sources for requisite supplies and other materials:

AMDA LOS ANGELES | 2016 ORIENTATION
**Are Orientation events required?**
Yes. These events have been carefully planned to orient our new students to AMDA and their new homes here in Los Angeles. Additionally, some students will be completing required demonstration/placement activities which will determine their first-term class schedule. If you have any conflicts, call the Admissions Office.

**Where is AMDA Los Angeles located?**
AMDA campus is located in the heart of Hollywood below the famed Hollywood Hills at 6305 Yucca Street (one block north of the intersection of Hollywood Boulevard and Vine Street). The official entrance — at the historic art deco Yucca Vine Tower — is on Yucca Street, just west of Vine. Nearby landmarks include the Dolby Theatre (home of the Academy Awards), the Pantages Theatre, Capitol Records, the Hollywood Bowl, Griffith Park and Observatory, Paramount Studios, Universal Studios, Warner Brothers Studios, NBC, and the Hollywood Walk of Fame. LA’s famous beaches are a short drive away.

**When will I receive my class schedule?**
Students can view their class schedules via their online student portal. Placement Demonstrations (described in this booklet) will affect class schedules, which may be revised as a result. Students should review their class schedules up to the Sunday prior to the start of the term to view their most current schedule.

**Can I work while attending AMDA?**
While possible, we recommend that students not work during their first term. Students need time to acclimate to their new environment and focus on AMDA’s rigorous program. Students who work while in school can generally work up to 20 hours per week for an employer who offers a flexible schedule. Remember that work hours cannot interfere with your course of study at AMDA. Students planning to work at AMDA or elsewhere must bring proof of employment eligibility. Examples of documents commonly used to establish employment eligibility are: Social Security card, passport, state-issued Photo ID and US birth certificate. For a full list of acceptable documents, please download uscis.gov/sites/default/files/files/form/i-9.pdf. International students should contact the Education Department for information regarding employment. See the AMDA Catalog for more information.
Questions:

1. **Does AMDA offer on-campus employment?**
   AMDA participates in the Federal Work Study Program and has a school-funded Student Employment program. Students cannot apply for campus employment prior to their arrival at AMDA. Applications will be available after classes begin. It is best to anticipate using these funds for living expenses rather than tuition or housing costs. *Additional information will be provided during Orientation and is available in the AMDA Catalog.*

2. **When will I need to renew my Financial Packaging?**
   Your financial award covers your first year (i.e., your first two terms) at AMDA. We will send you a new financial award for next year near the end of your second term. The Financial Aid Department will provide additional information. Please check your email regularly!

3. **Where can I get college student health insurance?**
   AMDA does not currently have a specific insurance plan with which we are affiliated. Please see the Health Services section on page 11 or contact AMDA Admissions for general recommendations.

4. **Can I have guests if I am living in AMDA housing?**
   For security purposes, the only guests that students are allowed to have in AMDA housing units are immediate family members. Overnight guests are not permitted. *Please complete a Family Visitor Pass request form, available online at amd.edu/visitorpass (PDF).*

5. **Can I have cable, telephone or high-speed internet service in AMDA student housing?**
   Students living in on-campus housing can have cable television and phone services installed. WiFi is available at all facilities. You will receive login information duringOrientation. You can install cable television in your housing unit by calling the local cable television provider. Details will be available at housing move-in. Internet workstations with Internet access are also available in the Tower and Vine buildings and some housing facilities. *See your Housing License for more information.*

6. **Can I send my belongings to AMDA prior to arrival?**
   Students who will be living in AMDA student housing may mail some of their belongings to Los Angeles in advance. Space is limited and it is important that you pack lightly. This applies to the things you bring with you on move-in day and anything you wish to send in advance. Items should arrive no sooner than one week prior to move-in. AMDA may return packages received earlier than the date specified. Please label boxes or other mail as follows:
   
   [Your Name] – Incoming Student
   6305 Yucca Street
   Los Angeles, CA 90028

7. **Can I bring my car?**
   Yes. If you intend to bring a car to AMDA, please complete the parking registration form available online at amd.edu under the LA Orientation page to make your payment. Parking availability is on a first come, first served basis.
